

In this issue:

- 1) Welcome from the Partners
- 2) Hurry – get your tickets for Infosecurity Europe 2007
- 3) Peter Wood and Didi Barnes were on the TV
- 4) First Base Technologies web site!
- 5) White-hats.co.uk
- 6) Subscription Information

1. Welcome

We are proud to be one of the UK's leading independent ethical hacking firms. We provide penetration testing, web application security testing, network security audits and related security consultancy services. Visit us at www.fbtchies.co.uk.

We hope that the information in this newsletter will be useful to you and would love to get your feedback regarding the content. What would you like to see in future issues? Do you have anything you would like to submit for inclusion? Please feel free to send an email to: webmaven@firstbase.co.uk with your comments.

Didi Barnes - Partner (Head of R&D)
Keiron Northmore – Partner (Head of Technical Services)
Peter Wood - Partner (Chief of Operations)

2. Infosecurity Europe, Olympia, 24th – 26th April 2007

If you aren't registered for Infosecurity Europe by 20 April, the organisers will charge you a £20 entrance fee!

Register here for free: <http://www.infosec.co.uk/FirstBaseTechnologiesinvitation>

- Come and see us on stand C144 – our Chief of Operations, Peter Wood, is threatening to buy coffees all round!
- Pete is giving his seminar “The Real Risks of Stolen Laptops” on Tuesday 24th April at 13:20 in the Technical stream.
- Pete is also appearing on the Hacker's Panel on the afternoon of Thursday 26th April, wearing his white-hat.

3. Peter Wood & Didi Barnes were on the TV

If you missed the BBC documentary “ID Fraud – They Stole My Life” on 31st January (Peter Wood and Didi Barnes were the technical experts), we have a few DVDs of the programme available free of charge. Contact info@firstbase.co.uk with your name and address and a copy will wing its way to you...

Information on the programme:

“Identify theft is the fastest growing “new” crime in Britain. Thousands of unsuspecting people are having their money and lives plundered by criminals. Now the police are mobilizing to tackle the crime and this film has unprecedented access to the City of London Police Identity Fraud Unit and reveals shocking details on how easy it is for the crooks to copy our lives.”

4. First Base Technologies web site

Our corporate web site has had a face lift. Click over to www.fbtechies.co.uk to have a look and let us know what you think – we hope you'll find it easier to navigate.

Do let webmaven@firstbase.co.uk know if you spot any errors.

5. White-hats.co.uk Information

Are you one of the 183 members of white-hats.co.uk? Our vendor-neutral user group provides a knowledge base and a friendly support group for IT security professionals working for UK business and government – <http://www.white-hats.co.uk/joining.shtml>. Membership is free.

Our next quarterly meeting is in London on Friday 15th June 2007.

Take a look at <http://www.white-hats.co.uk/nextmeeting.shtml> for more information.

6. Subscription Information

We hope that you have found this newsletter to be informative and useful.

This newsletter is intended to be published four times a year. Subscription is free. Please feel free to pass this copy on to friends and colleagues. If you do not wish to receive further copies, please reply to this email with a subject line containing UNSUBSCRIBE NEWSLETTER.

If your friends or colleagues wish to receive the newsletter directly, they should send a request to: webmaven@firstbase.co.uk.
